

Charles E. Newman, Jr., M.D. Newman Plastic Surgery

SPECIALTY: Dr. Newman is trained in all facets of plastic surgery for the body, breast and face. He also performs reconstructive surgery for skin and breast cancer patients. “The restoration of form and function is critical to these patients, and it is very rewarding to be a part of this transformation.” **EDUCATION:** Dr. Newman graduated from Davidson College and received his medical degree from the University of South Florida. He completed his residency and plastic surgery training at Wake Forest University and is board certified by the American Board of Plastic Surgery. **PROFESSIONAL MEMBERSHIPS/AFFILIATIONS:** American Society of Plastic Surgeons, American Medical Association, Florida Medical Association. **WHAT SETS HIM APART:** Dr. Newman works alongside his wife, board-certified physician assistant Dzi Newman. “Having her with me ensures every last detail is attended to. Many patients find additional comfort in her presence, both during the consultation and during surgery. We are able to perform multiple procedures safely and effectively.” The Newmans want every patient to feel respected and comfortable, and that attitude is reflected in each staff member and in every facet of care. **PRACTICE PHILOSOPHY:** We combine established plastic surgery principles with modern advances to restore, rejuvenate, enhance and refine. A balanced result is achieved

on the foundation of compassionate care, patient comfort, open communication and patient safety. “There is a subtlety required in all procedures, even when extreme results are sought,” says Dr. Newman. “Subtlety ensures that people notice you and not the work you’ve had done.” To enhance and complement surgical results, and for patients seeking non-surgical alternatives, Newman Plastic Surgery offers a breadth of products and services including injectables and peels, spa services, and results-oriented skin care lines. **DURING OFF HOURS:** Dr. Newman can be found golfing or helping his wife chase after their three young children. **FREE ADVICE:** Plastic surgery is an investment in yourself that can yield a lifetime of dividends. Seek a surgeon who is board certified by the American Board of Plastic Surgery.
